Enthusiasm

"The spirit of our school can be traced through the roots of its past . . ."

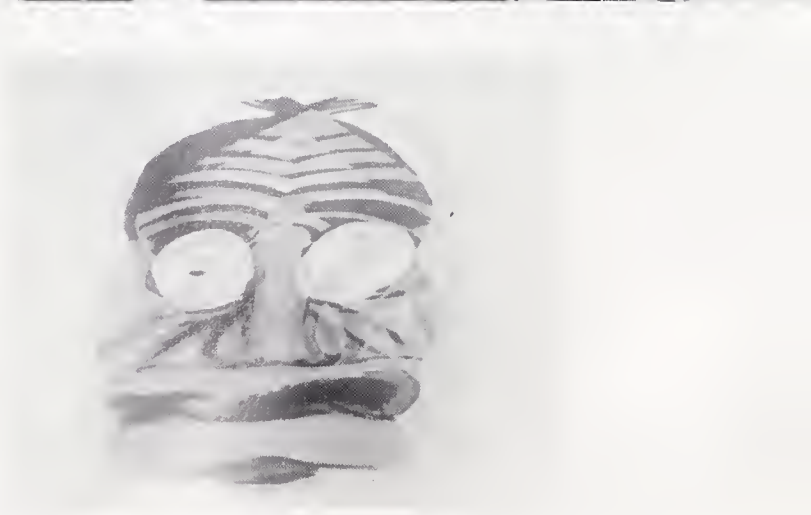

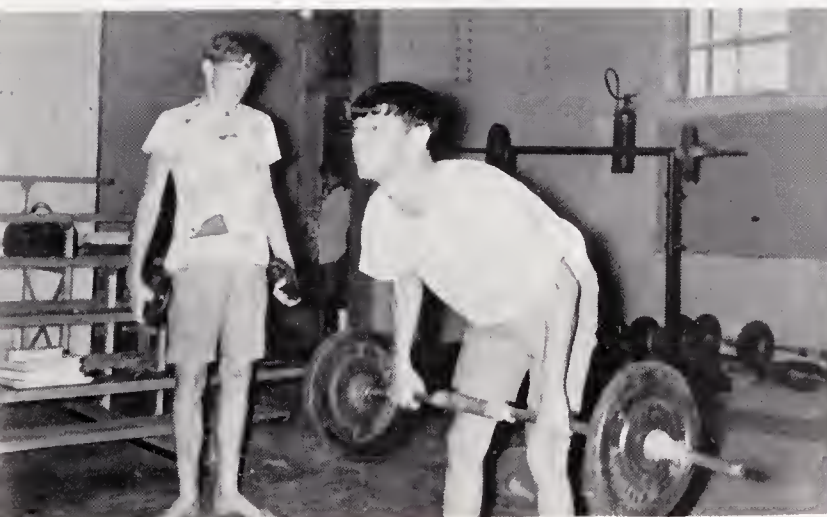

With

memories
along the way . . .

Enthusiastic

in play

Playing beneath the trees in the park overflowing with soft oranges, yellows, the eternal green, a pep rally, campaign speeches, halls filled with laughter--all these memories are cherished by the individual as what he has been and what he is.

Dedication

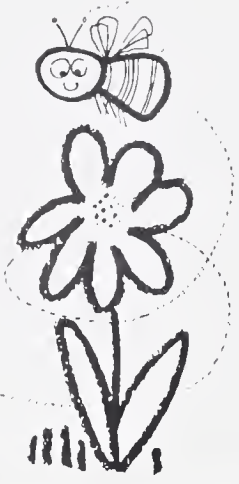

With genuine appreciation and highest esteem, we dedicate the CHIEF for 1968-1969 to Mr. and Mrs. Tommy Mitchell. Your yearbook staff welcomes this opportunity to pay tribute to these outstanding alumni of AHS and wishes only for more space in which to recognize their attributes and applaud their achievements.

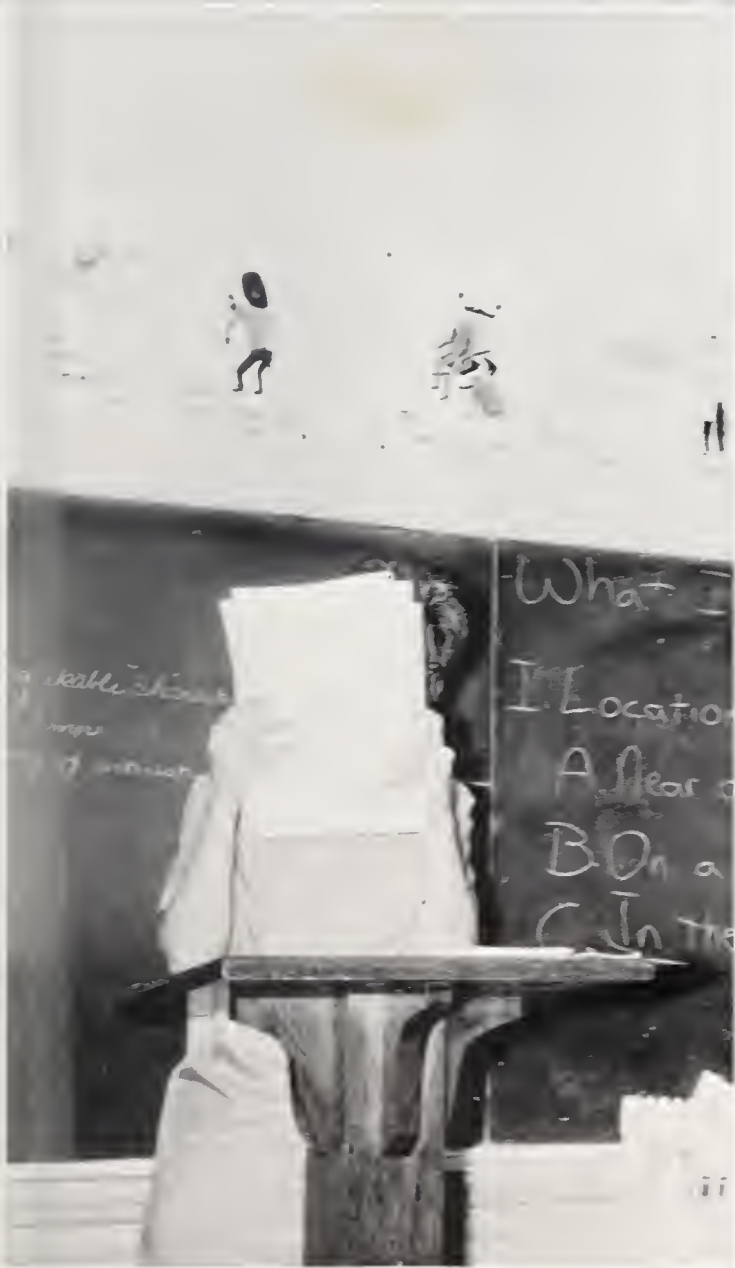

As advisor to the award-winning high school newspaper, the POW WOW, and as senior English teacher, Mrs. Mitchell has demonstrated her skill in the art of communicating, as well as her capacity for loving her students and challenging them to do their best.

Coach of our Junior Varsity football squad, Mr. Mitchell has led his teams to enviable records while exemplifying all the qualities of good sportsmanship and while maintaining that dignified composure and good humor for which he is respected and admired.

We salute these leaders and look forward to many more happy years under their guidance.

Come Blow Your Horn. A band of Indians made up the Ahoskie High School marching band. Led by director Mr. Phil Green and drum major Rush Everett, the musicians oom-pah-pahed and marched through new routines for half time shows. Their performance has always called forth a feeling of pride in their accomplishment and in the school which they symbolize.

And the band played on . . .
